Below are my needs, requirements and preferences which will ensure that I am comfortable, supported and fully included in this production, and able to perform to my best.

NB: *The examples given are simply illustrative and not intended to be exhaustive*

<p>Physical access to and within sets, locations or studios</p> <p><i>eg, if you need step-free access, how far you can go between locations, how often you prefer to sit down etc</i></p>	
<p>General environment</p> <p><i>eg, if you need a 'quite zone' on set, any anxiety triggers, your noise tolerance, if you'd like to get an idea of the location beforehand etc</i></p>	
<p>Communication methods</p> <p><i>eg, if you are a BSL user, if you have a preferred font to read from, if you can't use an earpiece due to hearing aids, if you need time to process your thoughts before answering questions etc</i></p>	
<p>Information sharing</p> <p><i>eg, if you need clear, simple and repeated explanations of what's happening, how much information you would like beforehand and how far in advance, if you prefer Easy Read versions of documents, etc</i></p>	

<p>Relationship-building</p> <p><i>eg, if you would like to see pictures and profiles of key members of cast and crew, if you would like to meet anyone before filming, if you would like people to wear name badges etc</i></p>	
<p>Transport</p> <p><i>eg, if you use public transport, what kind of taxis you prefer, if you are a blue badge holder etc</i></p>	
<p>Schedule, call times and breaks</p> <p><i>eg, how long you can be filming for, how often you need breaks & for how long, if you have a 'no earlier than' call time, if you need scheduled toilet breaks, what you prefer to do to relax etc</i></p>	
<p>Support and assistance</p> <p><i>eg, if and when you need a support worker, if you have a preferred chaperone, if you have an assistance animal, if you require a BSL interpreter, if you would like a dedicated runner etc</i></p>	
<p>Personal care</p> <p><i>eg, if you need immediate access to an accessible toilet, if you need to take medication or receive treatment, what equipment you will bring with you etc</i></p>	
<p>Food and drink</p> <p><i>eg, any foods or drinks you avoid, any requirements for refreshments, where and how often you need to eat & drink etc</i></p>	

<p>Any other</p> <p><i>any other information which relevant members of the production team need, to ensure you are comfortable, supported and fully included, and able to perform to your best.</i></p>
