

**Thank you**

**Thank you to our suppliers across the UK. In a challenging economic climate, your ingenuity and creativity have enabled us to continue to deliver exceptional content for our viewers. Your commitment and adaptability are deeply appreciated.**

This list includes all our suppliers of originated television programmes that transmitted across the portfolio in 2024, plus film and digital companies that received project funding from us. We also provided development funding to a range of other companies. While every effort has been made to identify and name all of the relevant companies for this list, we apologise if there are any accidental omissions. We would also like to thank all of our advertising and commercial partners.
